GET TRAINED

This 3-day

Relapse Prevention Counseling (RPC) Certification School teaches the clinical counseling skills needed to identify and manage the high-risk situations that lead to relapse. Gorski's Relapse Prevention is the most effective clinical counseling training of its kind. The optional Competency Certification Process gives you the credential of Certified Relapse Prevention Specialist (CRPS).

If you want to survive and thrive in the era of cost containment, this is an essential skill-training program. This training can show you how to lower the cost of relapse while improving clinical effectiveness and efficiency. You can help your clients recover in the high-pressure world of cost containment.
